## GREETINGS! NGĀ MIHI!

Last week, news went around the world that the deep space James Webb telescope has, after almost eight months of travelling through the space, sent back what are considered to be some of the deepest and sharpest infrared images of the distant universe so far. These images magnify more far-off galaxies, including some observed when the universe was less than a billion years old—closer to the ‘Big Bang’ than ever before.

My personal fascination with deep space photos that show us galaxies from billions of years ago began in Dunedin, where one of the great storytellers of our Church, Bishop Kelvin Wright, retired bishop of Dunedin, used to describe fantastic photos taken by the Hubble telescope, the predecessor of the James Webb telescope. These new images have brought us even more detail in which we see thousands and millions of galaxies, many of which are already gone.

I always stand in awe when scientists show us such discoveries and, while science isn’t generally preoccupied with metaphysical questions about God, I am excited that our narrative of creation—the view that the beauty of creation reveals its Creator—in my opinion, does not stand in opposition with newest scientific discoveries. Quite the reverse. This beauty is one of the attributes of God.

So, thank you to these scientists for showing us beauty of our universe, whose distances, space and its multitude of galaxies, stars and planets are something I can never completely understand. How much greater is the One beyond it!

Many blessings,  
Fr Ivica

As many of you know, each week, the Cathedral collects food items to donate to the Auckland City Mission which cares for the many Aucklanders who go homeless or hungry throughout the year.

As we enter the cold winter months, we encourage our community to bring what you can to place in our Auckland City Mission collection baskets. Non-perishable goods only, please.

Thank you for supporting this important ministry.

## WEEKLY PRAYERS

A prayer for the week

God our home,  
in Christ you are always with us;  
in all our daily activities  
help us not to be so worried and distracted by many things  
that we forget the one thing we need,  
and lose the better part, which will be ours forever;  
through Jesus Christ our Liberator,  
who is alive and reigns with you,  
in the unity of the Holy Spirit, one God, now and for ever.  
Amen.

We pray for those who have died, remembering especially Marjorie Glasgow and Hilary Reid, longtime supporters of our Cathedral.  
May the souls of the faithful departed rest in peace and rise in glory.
