## GREETINGS! NGĀ MIHI!

The diversity of the Cathedral worshipping community is wonderfully rich and needs to be cherished and celebrated. One of the characteristics that we should be proud of is that Cathedral folks are generally a tolerant group of people. We do not always see things in the same way, we embrace a fairly broad theological spectrum, but we have a strong emphasis on being a welcoming and inclusive congregation. Some may see us as a rather immovable group of people, but there is so much diversity. One of the qualities that we have is the ability to allow people to “just be” in the Cathedral. Although our rosters at times feel depleted and we sometimes suffer from a lack of volunteers for our activities, yet everybody in the Cathedral should be able just to be a part of the congregation. And today I wish to praise all those among us in the pews who are there, not to do something, but to be. And to worship.

Our September (spring) breakfast is one of the opportunities when we offer the opportunity for our community to come together and, in friendship and in a relaxed atmosphere, spend time together. It is a time to raise some funds for various causes and enjoy a few games and fellowship of one another. This year we are focusing on the Burnett Foundation Aotearoa and their work with people living with HIV. Yes, the HIV infection is still among us. And yes, we as a Church have to be able to engage in comfortable talk about the issues that affect those living with HIV.

We still have a few seats to fill - and there is still time to register for it over this weekend. Please, do join us next Saturday, 16 September at 8 am. A group of volunteers, our sponsors and friends, are putting many hours and funds into it. Can we make sure there are enough of us together? Also, the prizes for bingo will be really exciting! Sign up after our Sunday services or send an email to the Cathedral Precentor ([ivica@holy-trinity.org.nz](mailto:ivica@holy-trinity.org.nz)).

Finally, while you are reading this newsletter, our Diocesan Synod will be in full swing. Our lay Synod representatives will prepare for us a report that will be included in the next Panui. Do not hesitate to speak to them, or to me, if you have any questions or if certain Synod issues are of a particular interest to you.
