WELCOME TO AUCKLAND CATHEDRAL OF THE HOLY TRINITY

A very warm welcome to the community of Holy Trinity Cathedral.

We offer a particular welcome to members of the Rotary Club of Auckland and other Rotarians as they join us in celebrating the 2011 Rugby World Cup.

If you would like to know more about Cathedral programmes, or receive regular information, please complete one of the blue cards at the rear of the Cathedral, or St Stephen's, and give to a Sidesperson at the door or to one of the clergy.

FROM THE DOM'S DESK...

No doubt my former P.E. teacher (the formidably feisty Mr Evans) would have a wry smile on his face if he knew that it was my job to write the welcome on the very day that the Cathedral celebrates rugby. As a child, my only use on the pitch would have been as the actual ball, and in consequence, I devoted my energies over several years, quite successfully, to avoiding having anything to do with the game. However, arriving here in the month of this amazing tournament has certainly eased any sense of isolation or remoteness that I may have experienced (not least, having grown up on the Welsh border, the sight of Parnell's splendid Red Dragons), and the World Cup offers us all the opportunity to reflect on the much that brings the people of the planet together, whilst acknowledging and celebrating our various tribal affiliations. It was, after all, this country's most famous diva who uncannily echoed the sentiments of the psalmist (albeit without the reference to Aaron's oily beard) in today's motet (a setting of Psalm 133): *"There's a dream, I feel, So rare, so real, All the world in union. The world as one, Gathering together, One mind, one heart, Every creed, every colour, Once joined, never apart ..."*

-Timothy Noon, Director of Music.

WELCOME TO AUCKLAND CATHEDRAL OF THE HOLY TRINITY

A very warm welcome to the community of Holy Trinity Cathedral.

We offer a particular welcome to members of the Rotary Club of Auckland and other Rotarians as they join us in celebrating the 2011 Rugby World Cup.

If you would like to know more about Cathedral programmes, or receive regular information, please complete one of the blue cards at the rear of the Cathedral, or St Stephen's, and give to a Sidesperson at the door or to one of the clergy.

FROM THE DOM'S DESK...

No doubt my former P.E. teacher (the formidably feisty Mr Evans) would have a wry smile on his face if he knew that it was my job to write the welcome on the very day that the Cathedral celebrates rugby. As a child, my only use on the pitch would have been as the actual ball, and in consequence, I devoted my energies over several years, quite successfully, to avoiding having anything to do with the game. However, arriving here in the month of this amazing tournament has certainly eased any sense of isolation or remoteness that I may have experienced (not least, having grown up on the Welsh border, the sight of Parnell's splendid Red Dragons), and the World Cup offers us all the opportunity to reflect on the much that brings the people of the planet together, whilst acknowledging and celebrating our various tribal affiliations. It was, after all, this country's most famous diva who uncannily echoed the sentiments of the psalmist (albeit without the reference to Aaron's oily beard) in today's motet (a setting of Psalm 133): *"There's a dream, I feel, So rare, so real, All the world in union. The world as one, Gathering together, One mind, one heart, Every creed, every colour, Once joined, never apart ..."*

-Timothy Noon, Director of Music.
