WELCOME TO AUCKLAND CATHEDRAL OF THE HOLY TRINITY

A very warm welcome to the community of Holy Trinity Cathedral.

We offer a particular welcome to The Graduate Choir who are singing the Eucharist this morning on the occasion of their 10th anniversary. Thank you for this generous offering.

If you would like to know more about Cathedral programmes, or receive regular information, please complete one of the blue cards at the rear of the Cathedral, or St Stephen's, and give to a Sidesperson at the door or to one of the clergy.

FROM THE EVENTS MANAGER'S DESK... As the one member of the staff who is an enthusiastic rugby supporter it is rather ironic that the Director of Music got to write about rugby last week and this week I have the topic of music!

In the entrance to the Wells Cathedral School Concert Hall there is a quotation from Edward Elgar that every student sees as they enter the Music School for the first time *"My idea is that there is music in the air, music all around us, the world is full of it and you simply take as much as you require."* Most of the students rush past and never notice these thoughtful words as they dash between lessons but once in a while you would see a student stopping to read them while soaking in the atmosphere of life in a specialist music school.

This morning we welcome the Graduate Choir of New Zealand to the Choral Eucharist to sing Vierne's *Messe Solennelle*, a superb piece, a piece which is even more extraordinary given that Vierne was legally blind when he composed it. The Graduate Choir returns to the Cathedral again this afternoon to celebrate their tenth anniversary and then to end the day the Cathedral Choir return for their final Evensong of the term with the pieces by three of the finest British composers of all times - music is indeed all around us....
