The Holy Trinity Cathedral Boys and Girls Choirs welcomes singers aged between 8 and 14.

As a member of the Holy Trinity Cathedral Children's Choirs, your child will be given a rich experience of Cathedral choral repertoire and of the cycle of the liturgical year. Cathedrals have long provided this opportunity and our choristers will be uniquely placed to learn and perform some of the most beautiful music available to singers.

Our choristers will receive an excellent musical training; not only in practical skills such as voice production and sight reading, but also in the theory of music.

Through regular singing, their musicianship will rapidly develop as their repertoire grows. Each young person will learn to work as part of a team and to take responsibility for his or her own performance. As they learn self-discipline through their study of music, the choristers also develop the motivation and skills necessary to succeed in their future educational and personal endeavours.

In order to support the team and enjoy the rewards of this programme, each chorister's full commitment and attendance is important.

The Girls' Choir meets 4 - 6pm on Tuesdays  
The Boys' Choir meets 4 - 6pm on Thursdays
