## CATHEDRAL ROLL: PLEASE CHECK YOUR DETAILS

There will be an opportunity to check your details on the Cathedral Roll after Sunday services. The printed roll will be available at the back of the Cathedral over the next four Sundays. Please confirm that your details are correct by highlighting your entry or, if anything has changed, update them directly on the document.

Thank you for helping us keep our records up to date.

## GREETINGS · *NGĀ MIHI NUI*

Our *Wednesdays @ One* concert series concluded this week and has once again brought a wonderful variety of performers and audiences into the Cathedral, offering a welcome pause in the middle of the week to enjoy the beauty of live music.

A particular highlight has been the concert featuring school students, whose enthusiasm, talent and confidence were a joy to experience. It was a lovely reminder of the importance of creating opportunities for young musicians to share their gifts, and of the way music can bring generations together in this special space. Particular thanks go to Peter Watts for putting together another fantastic series!

As we move towards Advent and Christmas, music takes on an especially meaningful place in the life of the Cathedral. There is much to look forward to, from concerts and performances to the beautiful music that accompanies our seasonal worship.

I particularly encourage you to join us for the Advent Procession, From Darkness to Light, on Sunday 29 November at 8.30pm. This is one of the most evocative services in our calendar. Beginning in a darkened Cathedral, the gradual unfolding of light, scripture and music creates a moving expression of our journey towards Christmas and the coming of Christ, the light of the world.

Whether you come to listen, to sing, to worship or simply to enjoy the atmosphere, I hope you will find an opportunity to share in the music of this upcoming season. You will be warmly welcomed.

With every blessing,

**ANNE MILLS**
**DEAN**

### SUNDAY SERVICES HOSPITALITY

**Don't forget to pick up your name badge this Sunday!**

We are inviting everyone to wear a name badge at our services and to join us for morning tea afterwards. A name badge might seem like a small thing, but it can make it easier to introduce ourselves, begin a conversation and welcome someone we don't yet know.

## THE ADVENT PROCESSION

**8:30pm Sunday 29 November**
**Holy Trinity Cathedral**

Begin your Advent observances with one of the most beautiful and evocative services in the Cathedral calendar.

The Advent Procession, From Darkness to Light, takes us on a journey from the stillness and darkness of the Cathedral to a gathering place transformed by light and music. Through scripture, prayer and the gradual illumination of the Cathedral, the service offers a powerful expression of our longing to turn towards the light of God as we prepare for the coming of Christ.

Whether you join us in person or from home, you are warmly invited to share in this special beginning to the Advent season. Join the service in person or via our livestream.

Find out more about our Advent and Christmas services on the Cathedral website.

## ALL SOULS' REQUIEM MASS

**Available to watch online**

For those who were unable to join us on Sunday, or who would like to experience the service again, the livestream of our All Souls' Requiem Eucharist is available to watch.

At the heart of this moving service of remembrance and prayer is Maurice Duruflé's exquisite Requiem, its beautiful choral music offering space for reflection, contemplation and remembrance.

We invite you to revisit this special liturgy and take a moment to listen, reflect and remember.

## HOLY SILENCE; HOLY NOISE: A PRE-ADVENT SERIES

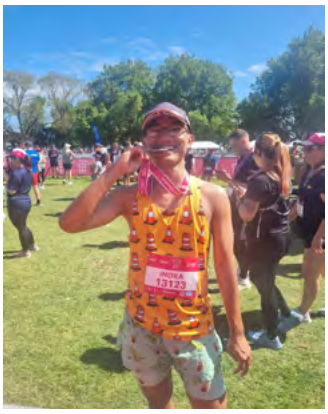

Making noise, speaking and singing are defining aspects of our humanity and our worship of God. They are bracketed by silence. In the concluding three sessions of the series 'Holy silence; Holy noise' we will continue our reflections on different aspects of our internal dialoguing within ourselves, our ways of connecting with each other and with God, and our participation in liturgy. As we approach the beautiful, holy and beloved seasons of Advent, Christmas and Epiphany you are invited to spend three evenings considering aspects of our experience of silence, speaking and singing.

**SESSION TWO:**
**7pm Monday 9 November**
**Bishop Selwyn Chapel**
There is a strong association between silence and expectancy. The coming seasons of Advent and Christmas have inspired some of the most beautiful choral music in our long historical tradition. In the second session, we will consider the "how" of vocal sound. How do we find the ability to voice with resonance and power in ways that enhance the words? We will pay particular attention to carols through history, with a special emphasis on the music of Advent.

**SESSION THREE:**
**7pm Monday 16 November**
**Bishop Selwyn Chapel**
In the third and concluding session, we hear from some of the Cathedral's 'noise-makers,' members of the Cathedral Choir. We will consider their understanding of the music they sing, its place in worship, and the selection of music for Advent and Christmas. This will pair with the introduction of a listening calendar for Advent.

## THE ANGLICAN MISSIONS

**A fragile truce has opened a window for the starving residents of occupied Oleshky, cut off from food and medicine for months.**

**After months without regular aid, the roughly 2,000 people still in the town — including some 50 children — may finally be reached. But the window is narrow, and the way out is far from clear.**

We pray for the people still trapped in Oleshky — the children, the sick and the elderly — that food, medicine and care would reach them in time, and that not one of them would be forgotten.

We pray that this fragile ceasefire would hold, and that all who wish to leave would find a safe way out and be reunited with those they love, free from fear.

We pray for an end to the war that has emptied this town and so many others — for the aid workers crossing the lines to help, for the peacemakers seeking openings like this one, and for a lasting peace that lets people go home.
