The employer

At the heart of the Anglican Church six-hectare precinct in Parnell, The Cathedral of the Holy Trinity is one of New Zealand's iconic buildings. The Cathedral fulfils an essential role in the Anglican and wider Auckland community. Large numbers of people come to the Cathedral each year and this important role will be to ensure that the facilities present the highest possible standard to all those who use this beautiful facility. We are a small team of 8 full and part timers including clergy staff.

The role

You will be responsible for keeping the Cathedral and St Mary's Church (as well as other facilities in the precinct) functioning and in excellent presentation. As Caretaker/Groundsman, your role will be to enhance the already excellent reputation of the centre as a place of worship and community outreach through the many religious services, weddings, funerals, and the hundreds of other public events that occur on an annual basis.

The role reports to the Dean of the Cathedral.

The tasks

This is a hands-on role. You will have a wide variety of tasks from gardening duties to changing lightbulbs and from minor repair work to ensuring our air conditioning systems are functioning. You will coordinate the on-going scheduled maintenance programme for the property.
