IT'S STILL GOOD TO BE ANGLICAN

Bishop John Bluck writes for Taonga on 13 October 2026

What makes Anglicanism distinctive? In this thoughtful and often witty reflection, retired Bishop John Bluck celebrates its rich liturgy, inclusive spirit and commitment to partnership and service, reminding us why it's still good to be Anglican.

GREETINGS • NGĀ MIHI NUI

Some of you may have noticed that the details for our upcoming Potluck Dinner disappeared from the newsletter. Apologies for the accidental omission! Here they are again in advance of Sunday:

Potluck Dinner celebrating Peter Watts
6:15pm Sunday 18 October (following Choral Evensong)
Bishop Monteith Visitors' Centre

Music has long been at the heart of life at Holy Trinity Cathedral, and we are delighted to celebrate one of the people who contributes so much to that musical life. Following Choral Evensong this Sunday 18 October, we'll gather for a Potluck Dinner to celebrate Peter Watts and his recent Associateship of the Royal School of Church Music (ARSCM) Award.

The award recognises significant contributions to church music and liturgy, and Peter's achievement is a wonderful opportunity for us to give thanks for his ministry.

Everyone is welcome! Please bring a plate of food to share, along with whatever you'd like to drink. No time to cook? Something easy from the supermarket is absolutely fine. The important thing is that we gather together to celebrate Peter and enjoy an evening of good food and fellowship.

With every blessing,

ANNE MILLS
DEAN

'Super' El Niño projected to lead to over 450,000 deaths
This 'super' El Niño will be the strongest in recorded history, coinciding with the hottest year on record.

We pray for the communities already under strain from El Niño's impacts—that they would have the time and means to prepare, and that the worst of the weather would ease.

We pray for communities facing conflict and man-made hazards at the same time—that oppression would cease and they would be free to prepare for and respond to disaster. May this El Niño become an occasion for the world to seek shared relief and peace rather than deeper division.

We pray for the most vulnerable—women, children, older people, people with disabilities, Indigenous communities and other marginalised groups who will bear the greatest burden in the months ahead—that they would be equipped and resourced to prepare and respond.
